These proceedings were instituted under the Animal Welfare Act, as amended (7 U.S.C. § 2131 et seq.) (Act), by a letter denying petitioner's/respondent's application for a license and a complaint filed by the Administrator, Animal and Plant Health Inspection Service (APHIS), United States Department of Agriculture, alleging that the Petitioner/Respondent willfully violated the Act and the Regulations and standards issued pursuant to the Act (9 C.F.R. § 1.1 et seq.). This consolidated decision is entered pursuant to the consent decision provisions of the Rules of Practice applicable to these proceedings (7 C.F.R. § 1.138).

The Petitioner/Respondent waives her right to respond to the Motion to Consolidate the above-styled proceedings filed this day, withdraws her request for a hearing in the license denial matter, and admits the jurisdictional allegations in paragraph I of the complaint and specifically admits that the Secretary has jurisdiction in these matters, neither admits nor denies the remaining allegations contained in the complaint, waives oral hearing and further procedure, and consents and agrees, for the purpose of settling these proceedings and for such purpose only, to the immediate entry

of this decision.

The Respondent/Complainant agrees to the immediate entry of this decision.

Conclusions

The Petitioner/Respondent having withdrawn her request for a hearing in the license denial matter, and having admitted the jurisdictional facts in the complaint, the parties agree to the entry of this decision, and therefore such decision will be entered.
